The 8th Annual Night Of **Worship & Celebration** is coming soon!

Four out of the last seven years we have been able to bless Turning Point of Steuben County and we are looking forward to another successful event. **Your church may already budget for Turning Point, if so THANK YOU. If you feel led to Bless this event and give a little extra to this worthy organization you can donate directly to them; just put in the memo line NOW 2025. Individuals will have an opportunity to give at the event if they so choose.**

The event is being held on the stage at Commons Park in Beautiful Angola, Indiana. The date & times are Saturday September 20th from 4pm to 9pm. **We would appreciate you partnering with us in getting the word out, about this wonderful event by posting flyers and posters that we will provide, promoting the event by word of mouth, video and print announcements within your organization. This event is for all and is an opportunity for believers to come together in Praise, Prayer, and Worship**

There will be 4 - 5 bands performing Songs of Worship & Praise from many current artists, including some originals. We are so happy to welcome back Unlikely Disciples, a band from outside of Steuben County. The other 4 bands are comprised of many local individuals who attend a wide variety of local churches and are going to bless all who attend by sharing of their talents by worshiping in music with you. I look forward to posting the set lists about 30 days before the event.

Food & drink will be available (State Bank is our Food Sponsor). There is limited bench seating so, bringing lawn chairs and blankets is recommended. **This is the event you'll want to attend! Let's all get together to praise the One who gives us Life to Live, Grace to Forgive, Love to Flourish.**

**Music, Food, Fellowship, Support, & Celebration. This is the Church Without Walls.**
